

Innovation  
that excites

# NISSAN NAVARA

Tough and stylish, Nissan NAVARA 4x4 is the latest in a long line of Nissan pick-ups - we produced our first in 1935. Along the way we've pioneered the mid size truck pick-up King Cab in 1977, the innovative C-channel lashing system in 2005, and we are the first to introduce the multilink suspension on a King Cab in 2019. Our proud legacy, shared among **MILLIONS OF PICK-UP OWNERS** blazing trails in **180 COUNTRIES** continues today. As long as there's adventure on the horizon, NAVARA will lead the way.

# 80 YEARS OF TOUGH

# INTRODUCING THE NISSAN NAVARA.

We've always built strong, dependable pick-ups to consistently deliver what you want from your Navara. With its fully boxed frame, 4X4 command and robust 2.3l Twin turbo dCi engine in two power outputs (either 190hp or 160hp), the Nissan NAVARA delivers the rugged performance you demand from a Nissan pick-up. The Navara takes you off and on road without missing a beat. Include a 5 Year / 160,000 km warranty as standard and that's a promise you can trust.

# THE PICK-UP YOU CAN TRUST, RIGHT DOWN TO ITS CORE.

The Nissan NAVARA 4x4 pick-up has a fully boxed ladder chassis rather than the three-sided channel-section frame found on other pick-ups. Combine this with a new multi-link coil spring rear suspension, unique in the pick-up segment, and you get a better ride with more agile handling, without compromising load-carrying ability.

## **FULLY BOXED. FULLY CAPABLE.**

Pull up to 3.5 tons, carry over 1-ton payload and experience enhanced performance on all terrains. Nissan NAVARA's fully boxed ladder frame is made with rugged high-tensile strength steel for improved structural rigidity and more torsional stiffness.

Hill Start Assist

Shift-on-the-fly  
4-Wheel Drive

4-Wheel  
Active Brake Limited Slip

Electronic limited  
slip differential

## CLIMB, CRAWL AND POWER YOUR WAY THROUGH.

Whether it's the depths of the country or the concrete jungle, the Nissan NAVARA is always in its element. There are three driving modes - 4WD High for light off-roading, 4WD Low for serious off-road driving in sand, snow or deep mud, or 2WD for when you're on tarmac. With features such as Hill Start Assist and Hill Descent Control, it's this pick-up that's ready for anything giving great traction, even in 2WD mode with non-aggressive-tread tyres, thanks to the Electric limited slip differential.

Hill Descent Control

**Hill Start Assist and Hill Descent Control.** Tackling an aggressive terrain? Now you can do it with more confidence and control. On an incline, Hill Start Assist can help keep you from rolling backwards when you're accelerating from a stop. Hill Descent Control helps you maintain steady speed and braking on the steepest declines.

NAVARA

# RIDE. RELAXED.

Outside, it's a 4x4 pick-up. Inside, Nissan NAVARA is a Premium SUV. Set the dual-zone Automatic Temperature Control and revel in the comfort of multi-link coil spring rear suspension. Stay connected on the go with New NissanConnect and our range of connected services. More than just a workhorse, this pick-up gives you a pleasurable SUV-style daily ride.

## 2.3-LITRE INTERCOOLER DIESEL (EURO 6D TEMP)

ENGINE CYLINDER	2298 CC
FUEL TYPE	DIESEL
POWER	160 HP /120 KW 190 HP /140 KW
TORQUE	425 NM @ 1500 RPM 450 NM @ 1500 RPM
MAXIMUM TOWING	3,500 KG
MAXIMUM PAYLOAD	MORE THAN 1100KG

# YOU'VE GOT SERIOUS PULL.

NAVARA was born to tow. With its tough, strong ladder frame, heavy-duty components such as braking transmission and cooling systems, plenty of power and low-end torque, you're ready to pull some serious weight. Towing capacity of 3.5T on all 4WD models.

**3.5T**  
TOWING CAPACITY

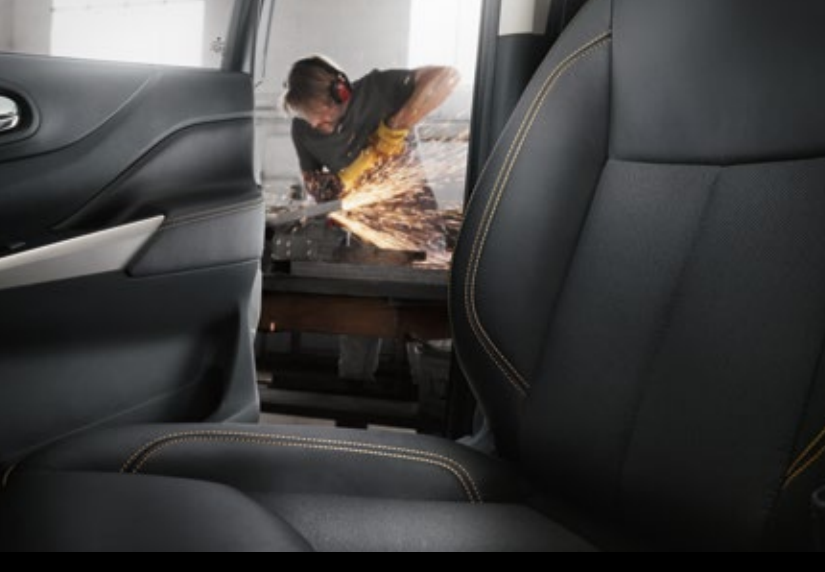

V1T

PAYLOAD  
CAPACITY

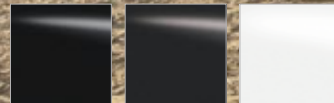

# LOAD IT UP.

The Nissan NAVARA is engineered to handle tough jobs and heavy payloads of over 1T and towing of 3.5T. A lighter tailgate makes loading and unloading simple. Ensuring your cargo is secure is easy too, thanks to Nissan's revolutionary C-channel tie-down system. Moveable cleats can be locked anywhere in special tracks and on the three sides of the pick-up bed. You can tie down any load, of any shape or size.

Turn heads off road  
and on with assertive,  
exclusive interior and  
exterior styling.  
Comfort never looked  
so bold

NAVARA N-GUARD is  
exclusively available  
in White (S - QM1), Black  
(M - GN0), Grey (M - K51).

## NAVARA N-GUARD

# GO BOLDER.

N-Guard is NAVARA turned one notch higher: fully loaded with confident style and fierce attitude in black, grey or pearl white. Black 18" alloys, bumpers, front grille and roof rails set the tone, with special mats, decals and seats with signature NGuard stitching on the inside. Bolder. Braver. More beautiful.

The King Cab has hinged rear doors that give your passengers easy entry to the cabin, as well as those larger items that can't fit through a typical door opening. The two rear seats face forward or flip up out of the way to reveal a large open space for quick access to items.

Oversized pockets located in the driver and passenger doors offer ample, easy-to-access storage.

The glove compartment is ideal for your documents and files, even the bulkier ones.

## STORE IT. HIDE IT. LOCK IT. LOVE IT.

A thoughtfully designed, flexible interior featuring lots of clever storage space is handy for work and play. There's a spot for your stuff underneath the rear passenger seats, in the side door pockets, in the generous glove compartment and in the large centre console too. Thirsty? You'll find cup-holders almost everywhere you look: next to the front seats and even designed into the front and rear door pockets.

The centre console includes large cupholders and a deep covered storage for items you want close at hand but out of sight.

Storage trunks conveniently located under the rear seats are perfect for tools you want to keep concealed.

## **RIDE FIRST CLASS EVERY DAY.**

In the Nissan NAVARA, you'll find comfort and space from every seat. Up front, comfortable seat support you on your long journeys. Plus, dual-zone Automatic Temperature Control means you and your passengers can each keep things as cool or as warm as you like, while circular side vents pinpoint exactly where you want the air to go. The new market-leading NissanConnect system adds connectivity and connected services to make every drive a moment well spent.

The image shows the interior of a car, focusing on the dashboard and center console. The dashboard is dark with a silver trim around the infotainment screen. The steering wheel is visible on the left, and the center console has a gear shifter and handbrake. The overall lighting is dim, suggesting a nighttime setting.

## MASTER YOUR DOMAIN.

All controls are in exactly the right spot for quick mastery of your environment. Nissan Intelligent Key with Push Button ignition (with Start and Stop engine on manual transmission) allows you to lock and unlock the doors and start the ignition without taking your key out of your pocket. The available sporty, leather-wrapped steering wheel with audio controls lets you operate cruise control and the audio system while your hands stay right where they should. And the available Bluetooth Hands-free Phone System lets you make and take calls with ease. The new market-leading NissanConnect system adds state-of-the-art access and connectivity to your iPhone or Android smartphone.

## NISSAN ADVANCED DRIVE-ASSIST DISPLAY

# INNOVATION THAT'S RIGHT IN FRONT OF YOU.

With so much going on around you, it's easy to lose sight of what's most important: driving. The Advanced Drive-Assist Display serves up info right in front of you - helping to minimize time looking away. So you can focus on what really matters.

Works with  
Apple CarPlay

A PATENTED APPLE TRADEMARK DESIGN

**YOUR MUSIC. YOUR WAY.**  
Access your music using Bluetooth®, USB or connect with Apple CarPlay® or Android Auto®.

## **YOUR WORLD, YOUR WAY.**

NissanConnect apps help make your NAVARA smarter, safer and more in tune with the way you drive. Connect your Apple or Android smartphone for even more options and even more connected entertainment for every journey.

NISSAN  INTELLIGENT MOBILITY

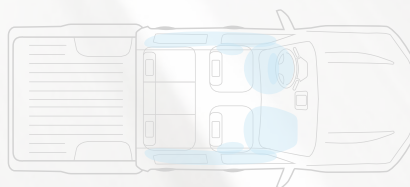

## SURROUND YOURSELF WITH CONFIDENCE.

Wouldn't it be smart if you had the confidence you need for every part of your drive? Nissan Intelligent Mobility is a comprehensive approach to safety that guides the engineering and development of every vehicle we make. The features described here are just some of many on your Nissan NAVARA, helping to protect you and yours by focusing on three key areas: keeping an eye on your vehicle's systems and the surroundings, assisting in handling unexpected situations, and helping to keep you safe in the unfortunate event of an accident.

**Intelligent Around View Monitor.** Four cameras give you a virtual 360° bird's-eye view of your vehicle, with selectable split-screen close-ups of the front, rear, and curbside views, so you can get a better look. Works up to 10 kph so you can check slow-speed manoeuvring on-road or off-road to avoid obstacles.

**7 Standard Air Bags.** Driver and passenger airbags in the front, two side-impact air bags mounted in the front seats, two side-impact curtain air bags mounted in the roof and an air bag for the driver's knee.

**Intelligent Emergency Braking (IEB).** Radar mounted in the front bumper measures the gap to the car in front. If it recognises there is a risk of collision, it will give an audible and visual warning. If the driver doesn't brake enough, the vehicle will automatically brake to avoid an accident.

**Anti-lock Braking System (ABS).** ABS prevents the wheels from locking under hard braking, allowing you to stop quicker and at the same time steer around obstacles.

**Electronic Brake force Distribution (EBD).** EBD automatically sends extra force to the rear brakes when it detects there's additional weight in the back.

**Traction Control System (TCS).** TCS helps you keep a better grip on the road. It senses when a drive wheel starts to slip and reduces engine power or applies brake pressure to help restore traction. In addition the Navara offers trailer sway assist that keeps your trailer aligned to your vehicle.

**Zone Body Concept.** Nissan's Zone Body Concept helps absorb the impact and protect the passenger compartment during a collision. It features a high-intensity cabin structure with crossmembers and reinforcements, front and rear crumple zones, and an energy-absorbing steering column.

**Electronic Limited Slip Differential (eLSD).** In low-traction conditions (snow, mud, dirt, bumps, slopes, etc.) the vehicle senses if one wheel is slipping and automatically slows that wheel using the brakes to regain traction and keep you moving. Works on all 4 wheels.

# WORK HARDER LIVE LONGER

Engineered to give years of tough, reliable service for your lifestyle, the harder you push, the harder it pulls - up to 3.5T in all conditions. Heavy duty to the core and built to last, it's the most dependable partner you'll find by miles. Fully equipped with Nissan's latest technology suite, it's always ready for work and play.

## NISSAN LCV 5 YEAR MANUFACTURER WARRANTY

Nissan now offers a standard 5 Year Pan-European Manufacturer Warranty on its whole LCV range\*. This is much more than just a warranty as it includes:

- 5 Year or 160,000 KM bumper-to-bumper protection
- 5 Year Paintwork Warranty – covering the body paint
- 5 Year Nissan Genuine Parts & Accessories Warranty
- 5 Year Roadside Assistance
- 12 Year Corrosion Warranty on NAVARA
- Fully transferable

And with service intervals at 24 months or 30,000 KM for Diesel engines, you'll not only have 5 years' peace of mind but also low running costs into the bargain.

### AT NISSAN, YOU BRING OUT THE BEST IN US.

You spark our imagination. You provoke our ingenuity. You inspire us to change the rules and innovate. And at Nissan, innovation is not just about additions and extensions; it's about crossing the line to reinvent the status quo. It's about developing unexpected solutions to satisfy your wildest and most pragmatic desires. At Nissan, we design vehicles, accessories and services that break the mould - making the practical exciting and the exciting practical to offer you a more exhilarating driving experience everyday.

\*5 Year / 160,000 KM (whatever comes first) Manufacturer Warranty  
For more details, please refer to Nissan Warranty Booklet.

## CUSTOMER SERVICES

### **SPECIALISED NETWORK**

NISSAN provides a specialised network of dealerships to support your specific vehicle requirements:

- Pan-European coverage
  - Dedicated Sales & After Sales staff
  - Competitive financing solutions
  - Tailor made conversion offers
  - Competitive extended warranty offers to go even beyond Nissan LCV 5 Year Warranty.
  - Test drive of your choice
- 

### **AFTERSALES SERVICES**

If your car breaks down, it's inconvenient. If your pick-up breaks down, it's a serious blow to your business. Even time allowed for servicing is downtime, when your van isn't earning its keep. At Nissan, we understand these hard business facts. So we do the best to ensure that your van stays where it belongs – working for you, on the road.

---

### **NISSAN SERVICE CONTRACTS AND EXTENDED WARRANTY**

For total peace of mind and budget control, you can subscribe to a Nissan Service Contract which will cover your periodic maintenance and Wear & Tear parts for the mileage and period that suits your business best. This way, you can ensure that your new NAVARA is serviced by dedicated Nissan technicians. And for even more serenity, you can get an Extended Warranty to cover possible mechanical and electrical breakdown after the end of your new NAVARA warranty.

---

### **5 YEAR ROADSIDE ASSISTANCE**

- Pan-European coverage for breakdowns, accidents, non-warrantable incidents (such as flat tyres, lost keys, wrong fuel...)
- 24/7, 365 days
- Emergency Call Centre
- Prompt roadside assistance

If this is not possible and your pick-up is still immobilised after a few hours, we will make sure you are provided with a courtesy vehicle as soon as possible or if necessary, overnight accommodation and travel to your onward destination or back to your base. We will also recover your immobilised pick-up.
