LCV AN UNBEATABLE LINEUP

NISSAN

OFFICIAL LIGHT COMMERCIAL VEHICLE
OF THE UEFA CHAMPIONS LEAGUE

At Nissan, we're constantly innovating for your business - coming up with clever new ways to deliver class-leading space and enhanced efficiency, improved versatility and durability, increased cost savings and ease of use. We engineer excitement and innovation round the clock to make your daily routine smoother, your work more fun and keep you ahead of the game. Because nothing beats the feeling of a job done smarter.

PICK YOUR PLAYER

YOU CAN ASK A LOT OF THE NEW NISSAN NV300, and trust it to respond. It has everything you need for your business: low on running costs, big on comfort. Plus exceptional load-carrying flexibility for its practical, mid-size van dimensions. As you'd expect from Nissan, NV300 is also built to be thoroughly dependable. A promise that's supported by our five year warranty.

"Reliability is vital; my business depends on always getting to my customers on time. So the Nissan 5 Year Warranty is a big bonus. It shows Nissan has real confidence in its engineering, build quality and reliability, and that gives me confidence too."

"Nissan has a great range of LCVs, and they all have features that are useful for my business. I chose the NV300 because it's the right size for my current need. When my business grows it's good to know that I can move up a size and still drive a Nissan."

"I'm driving most of the day, which means performance and fuel efficiency are really crucial. My NV300 gives me a smooth drive with good acceleration if I need it, and the economy's really good too. It means driving is more relaxed and my bank balance benefits too."

"My NV300 is more than a van to me, it's also my office. I need to process paperwork, get hold of parts and keep in touch with customers when I'm on the move, so that's why I chose the NV300. It makes it easy to be organised and efficient, and that's a good image to show customers."

5 Year / 160,000km (whichever comes first) Manufacturer Warranty

GET THE JOB DONE

NV300 IS A HIGHLY CAPABLE LOAD CARRIER. Even the standard version can take three Europallets or up to ten 2.5M long plasterboards. Lift the bulkhead flap and you can carry extra long items such as pipes or carpet rolls.

x3

EUROPALLET

x10

2.5M
PLASTERBOARDS

With an impressive load space you can easily load three Europallets or ten 2.5M plasterboards. With its bulkhead flap, NV300 enables you to carry long items up to 3.75M in the L1 and up to 4.15M in the L2.

KEY PERFORMANCE INDICATOR

ROOM FOR LOADS, COMFORT FOR PEOPLE

NV300 PANEL VAN can take up to 8.6M³ of cargo and up to 1,280kg payload while the Crew Van carries a team of six plus the tools you need for the job. Combi will seat up to nine people in spacious comfort.

DESIGNED FOR YOU

VAN

CREW VAN

COMBI

THERE'S AN IDEAL NV300 FOR YOU. Choose from two lengths and heights for the Panel Van, two lengths for the Combi or Crew Van.

LIGHT ON FUEL, STRONG ON POWER

The 1.6 dCi NV300 engine is available with 4 different outputs: two Single Turbo producing 95HP or 120HP, and two Twin Turbo offering 125HP or 145HP. Twin Turbo engines develop more torque from low revs and more power at high speeds for even better driveability.

KEEP IN TOUCH

NissanConnect

Keep in touch with NissanConnect, your navigation, communication and audio-entertainment system. Display maps, music, info and phone files on your 7" colour touch screen, get voice guidance across Europe, enjoy hands-free connectivity and listen to all your sounds on any format: CD, iPod, MP3, USB or Bluetooth® audio streaming.

LOW RUNNING COSTS

All NV300 engines are EURO6 compliant. Their low fuel consumption coupled to 2 years / 40,000 km service intervals contributes to NV300's low running costs.

INSPIRED THINKING. SMARTER LOADING.

As well as a roomy and adaptable load space, NV300 packs in lots of practical, helpful details. The sort of inspired ideas that turn a challenge into a job well done.

1.27M load space width between wheel arches.

Convenient 552MM loading height means less lifting.

OTHER FEATURES INCLUDE:

- LED illuminated load area
- 12V socket located on the cargo area
- Rear door can be locked open for extremely long loads
- Interior roof storage rack available for items up to 2.0M long/13kg
- Two coat hangers on rear of bulkhead
- NV300 can tow a braked trailer up to 2000kg

Bulkhead flap lifts to allow extra long objects - up to 3.75M in the L1 NV300 or 4.15M in the L2 NV300.

Sliding side door is over a metre wide, so will easily take a Europallet.

Side-hinged rear doors open 90°/180° for unimpeded, 1.3M wide access.

Up to 18 built-in side and floor mounted tie-downs to keep your load secure.

*Optional and depending on availability

COMFORTABLE AND PRACTICAL

NV300's cab is much more than a comfortable workplace. It's also a highly organised mobile office. There's over 89 litres of storage space for everything from paper clips and cups to large bottles and your laptop. The base of the passenger seat flips forward to reveal large storage bins. The centre seatback folds flat and provides a removable A4 clipboard holder. These are just some of the practical features that show we've thought about the way you work.

VAN INTERIOR FEATURES INCLUDE:

- 1. Storage for larger items beneath the passenger seats.
- 2. Clipboard holder inside centre seatback. Plus flat space for documents or laptop.
- 3. Convenient cup holder to safely hold your beverage.

NV300 PANEL VAN LOVES LARGE LOADS

NV300 Panel Van is a capable, roomy and reliable workhorse. Offering a large load space in a highly manoeuvrable medium size footprint, it's practical for city streets and relaxed on motorways..

ACCESS AND LOAD SPACE FEATURES INCLUDE:

- Side and rear doors take a Euro pallet with ease
- Illuminated load area
- 12-volt electrical accessory socket in load area
- Floor-mounted, load-securing eyes
- Bulkhead flap extends load space length up to 4.15M on L2 version

*Depending on version

Optional bright LED lighting makes it easier to work in the load space.

*Depending on availability.
*Depending on availability

An interior roof rack provides useful extra load carrying capacity.

A 1.0M wide sliding door is available for one or both sides..

This clever device lets you lock a rear door open and enables you to carry longer loads safely (starting from E1).

NV300 CREW VAN READY FOR ANYTHING

NV300 Crew Van is the flexible working solution. Your workmates have easy access through twin sliding doors, with room to travel to the job and back in comfort. With two van lengths available, there's space for your crew and up to up to 4.0M³ load capacity.

CREW AND LOAD SPACE FEATURES:

- From 3.2 to 4.0M³ max load space volume
- Payload up to 1,040kg
- Twin sliding side access doors with fixed windows
- High-strength plastic bulkhead with window
- 3-seater rear bench or individual seats with head restraints adjustable in height and tilting
- 3-Point inertia-reel safety belt on all seats
- Additional space under rear bulkhead extends load space length to up to 2.42M (L2 models)
- 12V connection in bench cover
- 2 speakers in headlining

Up to 4.0M³ load space for tools and equipment.

Individually contoured rear bench seat for up to three passengers.

A fold-down armrest adds extra comfort.

Large windows make interior light and airy.

NV300 COMBI
CREATE THE BEST IMPRESSION

Smart, spacious and offering a comfortable ride, the Combi will impress your passengers on the way to the airport, the game, in the city or on the motorway.

COMBI STANDARD FEATURES INCLUDE:

- Up to nine seat layout with choice of two wheelbases
- Twin sliding side-access doors with fixed or opening windows
- Second and third row contoured bench seats, each taking three passengers
- 60/40 split/fold seat back for second-row bench seat
- Fold and tumble facility for third row bench seat
- Removable second and third row bench seats
- Inertia-reel lap and diagonal seatbelts for all seats
- Rubber floor covering
- Half-height sidewall trim

*Depending on version

Large sliding side doors and second row split/fold seat backs ensure easy access.

Folding or removable third row and removable second row seats offer flexible passenger/load space combinations.

Remove the second and third row seats and Combi gives you the load space of a Panel Van.

[Print](#) | [Close](#)

HIGH EFFICIENCY

NV300's 1.6 litre dCi diesel engines combine the advantages of small capacity for impressive fuel economy, and turbo boost across the rev range. Four EURO6 compliant engines are available: Single Turbo with 95HP or 120HP and Twin Turbo with 125HP or 145HP.

1.6 dCi 145HP Twin Turbo

1.6 dCi 95HP Single Turbo

TWIN TURBO FEATURES

The first turbo produces high torque at low speeds, for more power when pulling away and restarting. The second turbo increases output at higher speeds, for constant, confident acceleration.

STOP/START

Standard on twin turbo, the engine stops while waiting in traffic and restarts instantly when you press the clutch. You'll soon notice the fuel savings.

ECO MODE

Switch on to optimise fuel consumption, by max torque limitation, smoother accelerator response and anticipated gearshift indicator.

SMART ENERGY MANAGEMENT

This is a way of recovering energy from deceleration and braking to reduce overall fuel consumption.

EURO6 COMPLIANT

Selective Catalytic Reduction technology uses AdBlue to convert Nitrogen Oxide emissions to water, nitrogen and tiny amounts of carbon dioxide – natural elements we breathe safely every day.

*Dependant on Local Market Availability

THOUGHTFUL AND RESPONSIBLE

Your safety is important to us. So NV300 is equipped with active safety systems including Electronic Stability Program (ESP), ABS with Electronic Brakeforce Distribution (EBD) and the Extended Grip that optimise traction in difficult conditions (mud, snow). Plus several thoughtful touches to make driving easier and keep you calmly in control.

I-KEY

When you have your hands full, i-Key allows hands-free front and rear door unlocking/locking and engine start.

REAR VIEW CAMERA

Combined with rear parking sensors, it makes manoeuvring easier and safer.

BLIND SPOT MIRROR

Mounted in the passenger sun visor to give you improved visibility.

ECO MODE

Activating Eco Mode helps you achieve the most fuel-efficient driving characteristics.

CRUISE CONTROL

Relax on long journeys. Combined with speed limiter to help you keep within the legal limits.

HILL START ASSIST

Makes hill-starts safer and smoother by maintaining brake pressure for up to 2 seconds.

*Optional and depending on availability

NISSAN LCV 5 YEAR MANUFACTURER WARRANTY

NISSAN now offers a standard 5 Year Pan-European Manufacturer Warranty on its whole LCV range*. This is much more than just a warranty as it includes:

- 5 Year or 160,000 KM bumper-to-bumper protection
- 5 Year Paintwork Warranty – covering the body paint
- 5 Year NISSAN Genuine Parts & Accessories Warranty
- 5 Year Roadside Assistance
- 12 Year Corrosion Warranty on NV300
- Fully transferable

And with service intervals at 2 years or 40,000 Km for Diesel engines, you'll not only have 5 years of peace of mind but also low running costs into the bargain.

AT NISSAN, YOU BRING OUT THE BEST IN US.

You spark our imagination. You provoke our ingenuity. You inspire us to change the rules and innovate. And at Nissan, innovation is not just about additions and extensions; it's about crossing the line to reinvent the status quo. It's about developing unexpected solutions to satisfy your wildest and most pragmatic desires. At Nissan, we design vehicles, accessories and services that break the mould - making the practical exciting and the exciting practical to offer you a more exhilarating driving experience everyday.

*5 Year / 160,000 km (whatever comes first) Manufacturer Warranty
For more details, please refer to Nissan Warranty Booklet.

CUSTOMER SERVICES

SPECIALISED LCV NETWORK

NISSAN provides a specialised network of LCV dealerships to support your specific commercial vehicle requirements:

- Pan-European coverage
- Dedicated LCV Sales & After Sales staff
- Competitive financing solutions
- Tailor made conversion offers
- Competitive extended warranty offers to go even beyond NISSAN LCV 5 Year Warranty.
- Test drive your choice

AFTERSALES SERVICES

If your car breaks down, it's inconvenient. If your van breaks down, it's a serious blow to your business. Even time allowed for servicing is downtime, when your van isn't earning its keep. At Nissan, we understand these hard business facts. So we do the best to ensure that your van stays where it belongs - working for you, on the road.

NISSAN SERVICE PLAN

Nissan Service Plan is the easiest way to give your Nissan NV300 the maintenance it deserves while you save money in the long run. Nissan Service Plan provides a convenient and easy solution, enabling you to spread the cost of your servicing needs by making low monthly payments rather than having to pay the full amount all at once. Nissan Service Plan also ensures that your Nissan NV300 is serviced in line with manufacturers recommendations/ specifications giving you peace of mind motoring. A well maintained vehicle offers Nissan drivers safety, reliability and economy with a "FSH" (Full Service History) also protecting future residual re-sale values. Nissan Service Plan customers can also rest assured that your vehicle is maintained and serviced by qualified Nissan technicians using Genuine Nissan Parts.

5 YEAR ROADSIDE ASSISTANCE

- Pan-European coverage for breakdowns, accidents, non-warrantable incidents (such as flat tyres, lost keys, wrong fuel...)
- 24/7, 365 days
- Emergency Call Centre
- Prompt roadside assistance

If this is not possible and your vehicle is still immobilised after a few hours, we will make sure you are provided with a courtesy vehicle as soon as possible or if necessary, overnight accommodation and travel to your onward destination or back to your base. We will also recover your immobilised vehicle.
